Dear Mr. Jones:

This correspondence is in response to your Request for Additional Information (RFAI) for the above referenced report.

The check referenced in your request for information was delivered by hand from an official of the PAC to the Chairman of the RNC on April 30, 2009. The RNC deposited the check on the same day and reported this activity to FEC. Any discrepancy reported by other committees is beyond our control.

The RNC believes this information is reported correctly and as such we find no purpose to amend our report.

I trust this response will meet your requirements, however please feel free to contact me if you have any remaining questions.

Sincerely,

Pat Huyck
Director of Accounting
